

# Advanced Placement (AP)

---

North Central University participates in the college level Advanced Placement Program through which students who have completed Advanced Placement work in high school may receive college credit.

## **GENERAL ELIGIBILITY**

1. Advanced Placement credit will be granted provided an acceptable grade is earned and the course is required for the student's program.
2. Students may not receive double credit by taking the course in addition to passing the Advanced Placement course. Advanced Placement credit will be granted in areas where course work has not been taken.

## **GRADING**

A minimum grade of 3 must be received on the Advanced Placement examination in order for the credits to transfer.

## **ADVANCED PLACEMENT COURSES ACCEPTED**

The acceptable Advanced Placement exams are listed along with the equivalent course it will replace in our program requirements at [www.northcentral.edu/admissions/ap](http://www.northcentral.edu/admissions/ap)
