President's Cabinet Policy passed 3/14/2007:

"NCU students currently enrolled in the university's resident program are prohibited from enrolling in Global University courses. The following exceptions may be granted upon written request.

1. The student is a graduating senior and is unable to complete all graduation requirements through the residence program due to circumstances beyond the student's control. The student may be permitted to enroll in a Carlson Institute or Global University course if the course is not available through the fall/spring program course offerings and the student cannot complete the course through directed research. In this case, the policy governing final residence credits will be waived. Further, a graduating senior must enroll in the Carlson Institute or Global University course during the fall semester of the student's senior year and must complete the course prior to commencement.
2. The student is 23 years old or older and resides beyond a 100-mile radius of North Central University. These restrictions do not apply to correspondence credits earned at either Carlson Institute or Global University by transfer students prior to enrolling at NCU.

NCU residential students wishing to take a Global University course in lieu of a NCU residential course must fulfill the following steps:

1. Petition the department chair for permission to take a course outside the normal NCU scheduled courses.
2. If approved, receive approval from the Registrar's Office, who will indicate that all university transfer credits policies are met.
3. If a Carlson Institute course has been approved, submit approved documents to the Carlson Director for enrollment.
4. If a Global University course has been approved, the student may enroll in that course.
5. Correspondence, distance education, or Advanced Standing course work taken through any Carlson Institute or Global University during enrollment at NCU will not count as a part of the full-time course load. During a student's final 33 credits of a degree program, 27 credits must be taken in residence. Correspondence credits will not be accepted as residence credits. Credits that violate this policy will not be accepted for transfer. The combined total of Directed Research and correspondence work cannot exceed 15 credits in a student's program."

NCU Course

BIBL 126 OT History & Lit
BIBL 127 NT History & Lit
BIBL 242 Acts
ICS 111 Global Perspectives
THEO 114 Systematic Theo I
THEO 355 Systematic Theo III
