Your application for financial aid was selected for review in a process called "Verification." In this process, North Central will be comparing information from your application with signed copies of your (and your spouse's, if you are married) 2008 federal tax forms, W-2 forms, or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or North Central may need to make corrections electronically or by using your Student Aid Report (SAR). North Central must review the requested information under the financial aid program rules (34 CFR, Part 668). **Complete and return all forms and requested documentation as soon as possible to prevent delays in awarding your financial aid. Please contact the Financial Aid Office for assistance if needed.**
