

Teacher Licensure Program Evaluation

Please return to Education Department 910 Elliot Ave Minneapolis, MN 55404

Dear Cooperating Teacher,

As part of our continuing effort to sustain a high-quality teacher education program at North Central University, we request your input, based on your experience with our student teacher this semester.

1. On a scale from 1-5 (1 being lowest and 5 being highest) please indicate your perception of the student's academic preparation in content areas.

1 2 3 4 5

Comments: (strengths/weaknesses)

2. How proficient is the student teacher in planning and implementing appropriate teaching methodology?
3. Has the student teacher demonstrated an understanding of the cultural and developmental differences of the students? Please explain.
4. How has/has not the student teacher demonstrated a professional attitude? Please provide examples.
5. Has the university supervisor provided adequate support for the student teacher? Please provide suggestions for improvement.
6. Have the university and the university supervisor communicated goals and expectations of the experience to you and the student teacher effectively?
7. Additional comments. Use back if necessary:

How many years teaching experience do you have? _____

How many student teachers have you supervised? _____
