WELCOME TO MILLER!

Miller Hall has housed North Central women for over 75 years, and is well-beloved by its former and current residents! Miller is known for its distinct sense of community and the pride residents take in making it their home. The following information will help you as you set up and decorate your room. If you have any questions, please feel free to ask your Resident Director - Kristi Hedstrom - or your Resident Advisor. We hope you have a great year!

“What does my room contain?”

Each room in Miller includes:
- Bed Frame & Extra-Long Twin Mattress
- Mirror
- Dresser
- Trash Can
- Desk & Chair
- Internet Connection
- Closet or Wardrobe Space
- Lofting Kit (available upon request)

University-supplied furniture must not be removed from the room or exchanged with furniture from other rooms. An internet-based telephone with voicemail is available with a deposit from the Information Technology Department.

“What can I bring into my room?”

- Microwave Oven
- Sandwich Makers
- Hotpot Water Heaters
- Bread Makers
- Coffee Machines
- Air-Type Popcorn Poppers
- Refrigerator (one for every two residents; capacity five cubic feet or less)

“What can’t I bring into my room?”

- Toasters or Toaster Ovens
- Firearms, Fireworks, or Explosives
- Traditional or Induction Hot Plates
- Halogen Lamps/Lighting
- Electric Skillets
- Burned Candles, Candle Warmers, or Incense
- Oil-Type Popcorn Poppers
- Video Games with an “Adult Only” Rating
- Indoor Grills (example: George Foreman)
- Media with an “R”, “TVMA”, or higher rating
- Pizza Ovens
- Live Christmas Greenery

“How can I set up and decorate my room?”

- Residents may use sticky tack or “3M Command Strips” only on paneled walls or on laminate doors. Only sticky tack may be used on painted walls. Small tacks or push pins may be used in the cracks of paneled walls, but nails, screws, or other fasteners are not permitted on any surface. Tape or other adhesive materials are not permitted on doors, walls, ceilings, or carpet.

- Residents may hang lightweight items from the ceiling tile grid in their room; however, any damage to the ceiling will be the financial responsibility of the residents. Ceiling tiles may not be removed.

- Residents may stack the furniture in their rooms; however, protective material should be used between pieces to avoid damage to furniture surfaces. Cinder blocks are not allowed anywhere in Miller Hall; however, students may loft their furniture using only NCU-issued lofting kits.

- Doors should not be propped with any materials that may damage the paint or veneer finish. Door closers must remain connected at all times.

- Disconnecting or otherwise tampering with smoke detectors is a serious safety threat and therefore is not permitted.

“How do I report a maintenance concern?”

If any repairs are needed throughout the school year a maintenance request may be submitted online at:

http://www.northcentral.edu/directory/offices/facilities-management
