When do you want to Study Abroad? \_\_\_\_\_

**What interests you most about this study abroad opportunity? Why are you applying?**

**Have you travelled outside of the United States before? If so, where, how long, and for what reason?**

*i.e. 1-week family trip to London or 2-week mission trip to Mexico, etc.*

**Does this experience relate directly to your major? If so, in what ways do you hope this experience will enhance your NCU course of study and knowledge in your field?**

**If this study abroad opportunity does not relate directly to your major, what general education or elective credits are you hoping to use?**

Think of your personal strengths and abilities. Which of these will help you be a good candidate for this study abroad opportunity and be a good ambassador for both NCU and for Christ while overseas? (this could be anything: skills, personality traits or interests)

Please *briefly* state when and how you came to know Christ:

***By applying for this study abroad program, you are agreeing to abide by the following rules and expectations set out by North Central University. Please read through and put your initials by each expectation and sign below.***

- I understand that by applying, my application will be considered by the Studies Abroad Policy Council which includes members from the following areas: Academic, Student Accounts, Student Life, Registrar and Financial Aid.
- I understand that choosing to study abroad may affect my NCU scholarships and/or tuition discounting (but in most cases will not affect state or federal financial aid). Once I have been accepted for the program, exact amounts of financial aid will be determined.
- I understand that, if accepted, I will be responsible to purchase and show proof of traveler's health insurance coverage for the country in which I will be studying.
- While studying abroad I will continue to abide by the Lifestyle Statement and rules concerning academic dishonesty. I will seek in all ways to live in a loving, Christ-like way in my interactions with my fellow students and local people.
- I understand that after appropriate warning, I may be sent home for breaches of honor or bad conduct. This will be at the discretion of NCU and/or supervising staff and faculty in the country of study. If this happens I will be responsible for any costs involved in changing my ticket and other travel expenses and may forfeit payments for tuition, fees and room-and-board.
