

**2018-2019
Mathematics Major
Scholarship Application**

DEADLINE TO APPLY, January 1, 2018

The Mathematics Major Tuition Scholarship is a \$2500 annual tuition scholarship renewable for up to eight semesters. The scholarship is awarded to first-time freshmen students each year based on superior academic performance, a written essay, and two references. Eligible students must meet all of the following criteria at the time of application:

Minimum ACT Composite Score of 28, and a Math score of 28 or,

A minimum SAT Total Score of 1240, and a Math score of 620*

And a minimum 3.3 High School GPA

*The composite score for either ACT or SAT excludes the optional writing portion of the exam.

The scholarship recipient must be accepted to North Central University in order to be eligible to apply for this scholarship. In addition, the recipient must enroll in the Fall 2017 semester or the scholarship will be forfeited. All scholarship applicants will be sent written notification of the Mathematics Scholarship Award Committee's decision by February 1, 2018.

Personal Essay:

Please attach a personal essay which details your involvement in the following areas. All essays must be typed and double spaced.

1. Honors and Activities
 - Honors and awards received (National Honor Society, National Merit Scholar, etc.) Please highlight any math related awards or honors.
 - Activities and Honors sponsored by your church or denomination (Fine Arts festivals, Royal Rangers, Missionettes, etc.)
2. Christian Experience
 - Describe how you became a Christian and how you have grown in your faith. Include your present and/or past involvement in your church or other ministries.
3. Future Goals and Plans
 - Describe your professional and personal goals and how you think an education at North Central University will prepare you to achieve them. Address how you would foresee yourself using a math major in your future vocation.

Please return this form, essay, two references, and high school transcript postmarked by January 1, 2017 to the Financial Aid Office at 910 Elliot Avenue Minneapolis, MN 55404. You may also fax this form to 612.343.8067. Applications will be forwarded to the Mathematics Scholarship Award Committee for their review and selection.
