## VERSE 1

D/F#                      G  
Here now, we're walking in healing  
A                      Bm  
Once bound, we're living in freedom  
D/F#                      G                      A  
We've found our purpose in Jesus  
D/F#                      G  
Refined, our hearts have been opened  
A                      Bm  
True lies, are finally broken  
D/F#                      G                                      A  
Revived, we're putting our hope in You

## PRE CHORUS 1

Bm A/C#                                      D  
You, You, we're putting our hope in You  
Bm A/C#                                      D  
You, You, we're putting our hope in You

## CHORUS 1

Em                                      A  
You will be our God  
D/F#                                      Bm  
And we will be Your children  
Em                                      A  
Forever in Your heart  
D/F#                      G Bm  
Living in Your Kingdom  
Em                                      A  
You will be our God  
D/F#                                      Bm                      A  
And we will be Your children, Lord

## VERSE 2

In debt, but now we've been paid for  
Regret, but suddenly restored  
Once dead, our lives have been reborn  
Burned out, but now we're on fire  
No doubt, we're shining much brighter  
Sold out, we're lifting You higher, Lord
