

North Central University is a Christ-centered, Bible-based, Pentecostal school with a commitment to academic excellence that prepares students to fulfill biblical models of leadership and ministry throughout the world.

**Transferrable Credits:** North Central University defines transferrable credits as college-level courses graded C- (70%) or higher, from regionally accredited institutions. Courses are evaluated individually and applicable courses are transferred and applied to the extent that they relate to a student's declared program of study. A combined total of directed research and correspondence education cannot exceed 15 credits.

This guide suggests transferrable courses along with corresponding NCU courses needed to fulfill NCU's general education requirements. Courses must be college-level to be eligible for transfer, remedial courses will not fulfill degree requirements. Please see the course catalog for additional information regarding the transfer policy and degree requirements.

The catalog is available online at: <https://www.northcentral.edu/academics/academic-catalog/>

Admission requirements, application, and additional information for transfer students are available online at: <https://www.northcentral.edu/admissions/>

#### **Course Transfer Guidelines:**

The policies and procedures for transferring credits are as follows:

- Only grades of "C-" or better are transferable.
- The course description must be equivalent to an NCU course.
- Unless otherwise specified by articulation agreement, degrees do not transfer; courses are evaluated individually.
- NCU does not participate in the Minnesota Transfer Curriculum (an agreement that states any A.A. degree is transferable to any 4-year public school in Minnesota and Wisconsin).
- Courses must be at the college level to transfer (usually with a course number "100" or higher); developmental courses will not transfer (usually with a course number "099").
- An official evaluation is done and credits are applied after receiving an official transcript; faxed transcripts or unofficial transcripts can be evaluated, but no credits will be applied until official transcripts are received.
- Most official transcripts will have a seal & the signature of the Registrar on secure paper.

**Residency requirements:** To graduate from North Central University, all students must complete the last 27 credits in residence. Students in all degree programs are required to complete a minimum of 50% of major-specific credits through North Central University. The 50% major-specific residency requirement will not apply to general elective or language credits. Credits will not be transferred in violation of Residency Requirements.

**Credit by Examination:** North Central University accepts up to 30 credits by examination to meet the equivalent general education course requirements.

Accepted Standardized examinations:

- Advanced Placement (AP)
- College-Level Examination Proficiency (CLEP)
- International Baccalaureate (IB)
- DSST/ DANTES

All official transcripts with CLEP exam scores must be received by North Central within the initial 65 credits of a student's program to be accepted toward degree requirements. Transfer guides for exams are available upon request.

Students who would like to complete courses at another college/university or standardized exams need to obtain prior approval by submitting a Transfer Credit Request form.

NCU does not accept coursework completed as Continuing Education Credits (CEUs). Coursework completed at non-regionally accredited colleges/universities or discipleship programs, will be reviewed on individual basis and academic content.

North Central University	Crown College
<p>*Courses listed below are only suggestions. Transferrable credit varies by major. Additional credit may be transferrable into the academic major you select. If you have any questions about specific courses not on the list, please contact Tammy Reese, Transfer Credit Specialist, at 612.343.4404 or email <a href="mailto:tcreese@northcentral.edu">tcreese@northcentral.edu</a>.</p> <p>* A combined total of directed research and correspondence education <u>cannot exceed 15 credits.</u></p>	
<b>Communications</b>	
<i>*currently enrolled Ministry majors must take PMIN 252 Homiletics at NCU</i>	
COMM 220 Public Speaking	COM 133 Speech
PMIN 252 Homiletics	Equivalent unavailable at Crown
<b>Fine Arts</b>	
<i>* Elementary Ed. majors must take ELED 362 Methods of Teaching Art at NCU</i> <i>*All Music majors must take Music Appreciation</i> <i>* Comm. Arts majors must take FA 131 Film Appreciation</i>
