

# WELCOME TO MILLER!

Miller Hall has housed North Central women for 80 years, and is well-beloved by its former and current residents! Miller is known for its distinct sense of community and the pride residents take in making it their home. The following information will help you as you set up and decorate your room. If you have any questions, please feel free to ask your Resident Director— Karina Kornbaum — or your Resident Advisor.

We hope you have a great year!

---

## What does my room contain?

Each room in Miller includes:

Bed Frame & Extra-Long Twin Mattress  
Dresser  
Desk & Chair  
Closet or Wardrobe Space

Mirror  
Trash Can & Recycling Can  
Internet Connection  
Lofting Kit (available in loft closets on resident floors)

**University-supplied furniture must not be removed from the room or exchanged with furniture from other rooms.**

---

## What can I bring into my room?

Microwave Oven  
Hotpot Water Heaters  
Coffee Machines  
Refrigerator (one for every two residents; capacity five cubic feet or less)

Sandwich Makers  
Bread Makers  
Air-Type Popcorn Poppers

---

## What can't I bring into my room?

Toasters or Toaster Ovens  
Traditional or Induction Hot Plates  
Electric Skillets  
Oil-Type Popcorn Poppers  
Indoor Grills (example: George Foreman)  
Pizza Ovens

Firearms, Fireworks, or Explosives  
Halogen Lamps/Lighting  
Burned Candles, Candle Warmers, or Incense  
Media with an "18+" or "Adult Only" rating  
Live Christmas Greenery  
Air Conditioners

Space Heaters  
Cinder Blocks

---

## How can I set up and decorate my room?

- Residents may use sticky tack or "3M Command Strips" only on paneled walls or on laminate doors. Only sticky tack may be used on painted walls. Small tacks or push pins may be used in the cracks of paneled walls, but nails, screws, or other fasteners are not permitted on any surface. Tape or other adhesive materials are not permitted on doors, walls, ceilings, or carpet.
  - Residents may hang lightweight items from the ceiling tile grid in their room; however, any damage to the ceiling will be the financial responsibility of the residents. Ceiling tiles may not be removed.
  - Residents may stack the furniture in their rooms; however, protective material should be used between pieces to avoid damage to furniture surfaces. Cinder blocks are not allowed anywhere in Miller Hall; however, students may loft their furniture using NCU-issued lofting kits.
  - Doors should not be propped with any materials that may damage the paint or veneer finish. Door closers must remain connected at all times.
  - Disconnecting or otherwise tampering with smoke detectors is a serious safety threat and therefore is not permitted.
- 

## How do I report a maintenance concern?

If any repairs are needed throughout the school year a maintenance request may be submitted online at:
