Verse 1
```
        2                           4
```
The great Oh, the fight of a ransomed soul
```
        1              5
```
I don't see you, but I know
```
        2                          4
```
There's a Healer, I know by the touch of his robe
```
        1             5
```
If I reach out, then I'm at the door

Pre chorus
```
        2      4
```
And it's open, an endless sea of Your chorus
```
        1                        5
```
Every tribe, every tongue, together as one

CHORUS
```
2
```
Finally, in unity
```
4
```
(Finally, in unity)
```
1
```
Finally, in unity
```
  5
```
Together as one, we worship as one

Verse 2
```
            2                       4
```
You always win, You're the light when the mind is dim
```
          1           5
```
The outpouring, the revival
```
          2                      4
```
No more spiral, no wandering out of control
```
            1               5
```
Your Kingdom comes, when Your will has been done

Pre chorus
```
             2         4
```
Shout the chorus, this fight is not against flesh and blood
```
          1                          5
```
Unite the war cries of the nations, together as one
